Steer wrestling: if 2nd year cattle are brought without or against director approval. The director may backlist the herd and immediately pull them from the draw. If this results in a shortage of cattle then the fine shall be \$200 per animal short. If it results in no animals to compete on for that rodeo. Then the contractor shall be fined \$250 per head and the entry fees of every person in the steer wrestling at that rodeo

All Steer wrestling cattle shall be number branded on the right horn. With a single digit for the year they are being used in.

Example 2025 shall use 5 on right horn
